

Anna Harrington

Regency Romance Writer

“Fall into History, Fall into Love”

About Anna

An award-winning English professor and romance writer, Anna Harrington fell in love with historical romances and all things Regency—and especially all those dashing Regency heroes—while living and studying in England, where she spent most of her time studying the Romantic poets and Regency England, reading Jane Austen, and getting lost all across the English countryside.

In addition to earning her B.A. in English from Ashland University, M.A. from Michigan State University in literature, and Ph.D. from Indiana University of Pennsylvania in Composition, she has studied theatre in London, Mexican history in Guadalajara, and Spanish in Ecuador. She has traveled the world, visiting schools and volunteering in Peru, Ecuador, France, Italy, Thailand, and Mexico, and has amassed thousands of photos she unleashes on

unsuspecting friends who dare to ask about her travels.

Anna also loves to be outdoors. She has been hiking and climbing in Alaska, Hawaii, the Andes and the Alps, including one week spent dangling off the via ferrata in the Dolomites, and she has whitewater rafted in Alaska, South America, and the Appalachians. She earned her pilot's license, high-performance, complex and instrument ratings at Chicago Midway (To all the controllers in Chicago Center—she *greatly* apologizes for every problem she caused you and Southwest Airlines), and she hopes to one day fly in a hot-air balloon over Kenya.

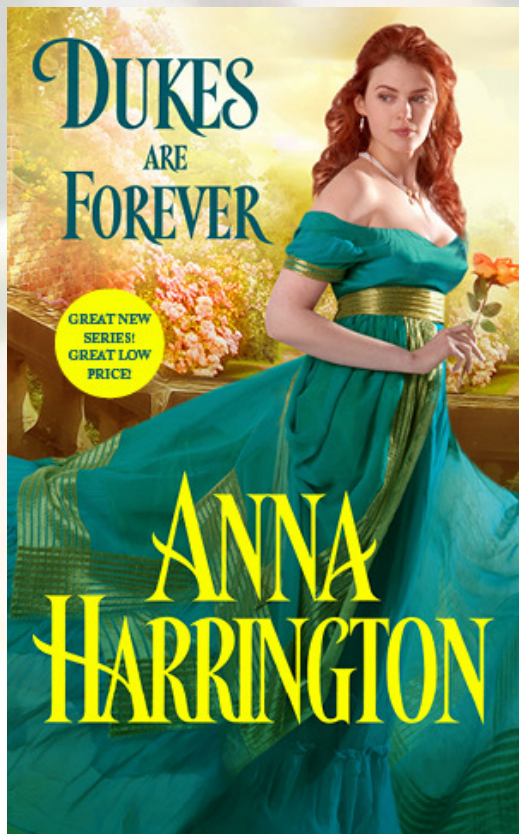

When she read her first Regency romance by Julia Quinn in 2012, she was hooked and longed to create her own independent and spirited heroines, dashing heroes, and the trials and tribulations of Regency England which worked to keep them apart until true love won the day. Her first series, *The Secret Life of Scoundrels*, was contracted to Grand Central/Forever in 2014, and her debut novel, *Dukes are Forever*, set for release in November, 2015 (with *Along Came a Rogue* in February, 2016 and *How I Married a Marquess* in May, 2016).

The best part of writing historical romances for Anna is falling into history—to live in the world of Regency England through her characters, with dazzling balls, beautiful dresses, and gorgeous estates that she would otherwise never be able to experience. She loves the period's history, especially the architecture, and finds that all those rules of proper etiquette and propriety can be worked to the heroine's advantage...if she's daring enough to seize her dreams.

Anna adores all things chocolate, dives into ice cream of any flavor, and guzzles Kona coffee by the gallon. A *Doctor Who* fanatic (everyone says her house *is* bigger on the inside!), she is a terrible cook who hopes to one day use her oven for something other than shoe storage. When she isn't writing, she spends her time trying not to kill the innocent rose bushes in her garden.

Her Books

In the tradition of Elizabeth Hoyt, Sabrina Jeffries, and Lisa Kleypas, Regency romance writer Anna Harrington is thrilled to announce her sensual debut series, *The Secret Life of Scoundrels...* The Scarlet Scoundrels of Wellington's Dragoons--a new duke, a rake of the first order, and a spy set on hiding his past have forged a brotherhood while under fire of Napoleon's finest that they never thought would be called upon after they laid down their sabers. However, these three war heroes and society scoundrels will need each other in order to navigate the perils of returning home and finding love in the most unexpected places. The novels—*Dukes are Forever*, *Along Came a Rogue*, and *How I Married a Marquess*—will be available beginning in November, 2015.

ALL'S FAIR IN LOVE

Battlefields and bar rooms hold much more interest for Edward Westover, Duke of Swarthmore, than some little girl's dolls and lace. But when he takes control of his enemy's estate, everything that man held dear—including his daughter—now belongs to Edward. Arrange for a governess, a dowry, give a few reassurances and be off on his way—that's Edward's plan. But he's in for the shock of his life. For his new ward is a beautiful, impetuous, and utterly irresistible woman...

... AND WAR

Kate Benton is stunned. Who is this arrogant, infuriating man who's invited himself into her home and taken over her life? Her vow: to do everything in her power to convince him to leave her—and Brambly Farm—alone. But as chilly days melt into sultry nights, Kate sees glimpses of kindness underneath Edward's cool façade...and a passionate nature that takes her breath away. There's so much she doesn't know about this man. But does she dare trust this devilish duke with her heart?

Praise for Dukes are Forever...

"As steamy as it is sweet as it is luscious. My favorite kind of historical!...A wonderfully stubborn, tender-hearted, passionate pair. Loved every page!"

~ Grace Burrowes, *New York Times* Best Selling Author
