About Me

I'm a USAToday and Indie Reader bestselling author of Regency romances with alpha heroes and independent heroines, layers of emotion, and lots of sizzle. I fell in love with historical romances and all things Regency—and especially all those dashing Regency heroes—while living in England, where I spent most of my time reading Jane Austen and getting lost in London. I have traveled around the world, both as a tourist and as a volunteer with children's

organizations in Peru, Ecuador, Thailand, and Mexico. I love to hike and fly airplanes, adore all things chocolate and coffee, and am a Doctor Who fanatic (everyone says my house *is* bigger on the inside!). I am a terrible cook who hopes to one day use my oven for something other than shoe storage. In my spare time, when I'm not writing or teaching, I enjoy ballroom dancing and tending the roses in my garden.

I've been writing since 2015, when All About Romance named me Best Debut Historical Romance Author. My first book, *DUKES ARE FOREVER*, won the 2016 Maggie Award for Best Historical Romance, and *HOW I MARRIED A MARQUESS* was a 2017 RITA Award finalist. In 2017, *IF THE DUKE DEMANDS* won the AudioFile Earphones Award for audiobooks and was a finalist in the Beverly Romance Contest; the book was also named a TOP PICK by

Night Owl Reviews and listed as Barnes & Noble's #1 romance for February, 2017. *WHEN THE SCOUNDREL SINS* earned a 4-1/2 stars TOP PICK rating by RT Reviews, and Barnes & Noble listed it as their #1 romance for September, 2017. It was also a finalist for the Holt Medallion. Book 4, *HOW THE EARL ENTICES*, was an Amazon #1 Regency Romance Bestseller, Amazon Top 40 book, and an iBooks Bestseller. My newest series, the Lords of the Armory, launched in February 2020, and book #1, *AN INCONVENIENT DUKE* was described by *Publishers Weekly* in their starred review as a combination of "suspenseful mystery and charming romance in this compulsively readable treat" and named as one of their Best Books for Spring 2020. In May, 2021, *A MIDSUMMER NIGHT'S ROMANCE* hit #53 on the USAToday Bestseller List, #5 on the Indie Reader Bestseller List, #53 overall on Amazon, and #19 overall on Barnes & Noble.

The Secret Life of Scoundrels

The Scarlet Scoundrels of Wellington's Dragoons—a new duke, a rake of the first order, and a spy set on hiding his past—have forged a brotherhood while under fire of Napoleon's finest that they never thought would be called upon after they laid down their sabers. However, these three war heroes and society scoundrels will need each other in order to navigate the perils of returning home and finding love in the most unexpected places. The first three books were followed by a novella which chronicles the second generation of scoundrels twenty-five years later.

Praise for Anna's Books:

"Anna Harrington has a strong affinity for writing books that have intricate plotting accompanied by lots of heart-racing events. Her works move at a rapid pace even while building well defined stories full of detail and depth."

~ Jenerated Reviews

"Harrington's emotionally gripping Regency-era debut, which launches the Secret Life of Scoundrels series, is ripe with drama and sizzling romance...The complex relationship between Edward and Katherine is intense and skillfully written, complete with plenty of romance angst that propels the novel swiftly forward. This new author is definitely one to watch."

~ Publishers Weekly (Starred Review)

"Harrington creates fast-paced, lively romances with unconventional characters and plot...There is little doubt that she is fast becoming a fan favorite.

~ RT Book Review

"Consider me a freshly minted fan of Harrington's style of happy ever after."

~ USA TODAY HEA

"If you want to know what romance feels like read an Anna Harrington book. This author could elicit dreamy sighs in even the most unromantic person in the world as she lovingly doles out tingles and butterflies with her talented pen. Readers will happily surrender to falling in love..."
